## Introducing the Scholastic Virtual Book Fair—a new, interactive way to shop!

Scholastic has been working hard to ensure school communities can still experience the magic of an in-person book fair.

The NEW Virtual Book Fair offers an interactive shopping experience with fun characters, favorite series, and exclusive author and video content—just like you would find at an in-person event! In **360°** you can “walk” through the virtual shop on any browser or device with the tap of a finger and shop more than 200 top-selling books.

There are two ways to shop our fair this year!

To SHOP NOW: <https://www.scholastic.com/bf/stmarysschool44> and you can enter the **360°** by clicking on the SHOP THE VIRTUAL FAIR button, navigate through the experience by clicking on hyperlinks in each grade level, and shop directly from the Virtual Fair offerings.

You can also click through to the Scholastic Store Online on the same homepage to shop from the full portfolio of 6000+ books. Items chosen from either shopping experience will be added to the same cart for checkout!

And best of all, our school will earn rewards from **EVERY** purchase made in the NEW Virtual Fair!
